## Share Your Vision For a New Community Grocery Store

---

We need additional and better grocery stores in the city.

However, many questions must be answered and issues addressed for the goal of a new community-based grocery store selling fresh, quality products at fair prices to be achieved.

You are invited to play a meaningful role in the creation of this new grocery store by sharing your vision, expertise and concerns at an upcoming community meeting. Call Brad Wilson at 1-800-321-6406 ext. 8641 for more information.

**Join M.O.S.E.S. , East Side Alliance, United Way,  
Congregations, Community Groups and  
Concerned Citizens in Building a Better Detroit**

**Thursday, May 28, 2009**

**Free Food & Registration 6 - 6:30 p.m.**

**Meeting 6:30 - 8:00 p.m.**
